

Intern Learning Objectives

Internship Year: _____ Semester: ☐ Spring ☐ Summer ☐ Fall
 Agency: _____ Department: _____
 Coach: _____
 Intern's Last Name: _____ Intern's First Name: _____

STUDENT LEARNING OBJECTIVES

Each semester it is necessary to identify **Two** new learning objectives. Interns are expected to expand their job responsibilities or get involved in new learning experiences. The learning objectives and daily tasks should contain work outcomes that are Specific, Measurable, Achievable, Relevant and Time Sensitive (SMART) and within the student's ability to accomplish.

1. What will be learned?

2. How will it be learned?

1. What will be learned?

2. How will it be learned?

We agree with the validity of the learning objectives specified above. This agency agrees to provide the necessary supervision and support to ensure that the intern receives appropriate educational benefit from this work-based learning experience.
